Dear Residents and Friends of Whakapirau

The Whakapirau Residents and Ratepayers Association (WRRRA) have come up with a new way to showcase a great feature of our environment and raise funds for community improvements into the bargain.

We are producing the 2017 calendar 'Tractors of Whakapirau'. This high-quality production features the wonderful tractors that are such an important part of life on the Kaipara, and the beauty of our beach and surroundings.

Local resident Grant Hunter has designed this beautiful full colour, A4 calendar for us at no cost and has arranged the printing at a very reasonable rate so we are able to sell them for only \$12 each.

They will make wonderful gifts for family and friends as well as a great addition to your home or bach.

**We are taking pre-orders now.
There are two ways to order:**
