

Community Values and Aspirations: write the name of your town/village here

In order to better understand Kaipara Region and the community's values and aspirations, we have several questions we are hoping you can help us answer. Your input and feedback will help ensure the Sub - Regional Spatial Plan provides a robust and relevant framework to improve the well-being of the community and the local environment.

What are the most important things you value about your community?

What are the essential qualities that characterize your town?

Do you have any aspirations you would like to see for your community and town?

What changes have you seen in your community? What changes do you want to see?

Community Audit:

write the name of your town/village here

The purpose of the Community Audit is to develop a more accurate picture of the services and experiences currently available to the community.

How would you describe the relationship of your town / settlement with the neighbouring urban centre or town?

What places are most important to you? What brings your community together and where do you meet?

What organisations are in your community e.g marae or sports clubs?

What businesses are operating in your community? Where do you shop? What new business would you like to see?

What services do you receive (electricity, digital, transport (including walking + cycling), telecommunications, water, wastewater)?

Are there any services, facilities and / or experiences currently missing?

Are there places or species (reserves, trees, flora, waterways or beaches or bush areas) that need to be protected in your village / settlement?

Are there any Landcare / Coastal Restoration projects going on in your community?
